## JONES ROCK 'N' BLUES

Dianna Jones launched her career in the '80's as a solo playing The Village Gate, Gerde's Folk City, The Bitter End, and the other happening Greenwich Village clubs, opening for Jerry Jeff Walker, The Band, Paul Butterfield, and the list goes on . . . She has also recently opened for and performed with Country-music award winner Suzy Bogguss.

She's not a chick with an acoustic guitar. She wouldn't be happy singing in a great cover band. She's a serious writer, plays a Strat through a Twin, and sings like a songbird on steroids.

For Dianna, "Jones" isn't just a name -- it's a state of mind. Music is the fix.
